

JOIN US FOR THE COLOR ACCELERATOR WORKSHOP

LEARN 7 ESSENTIALS FOR SUCCESS WITH CUSTOM-COLORED PLASTICS

We are excited to invite you to this in-person event! Our team of color experts from X-Rite and ColorXpress™ Services have years of hands-on experience and color expertise and are ready to share their knowledge and engage in live interactive activities with you.

While at this event, you will have the opportunity to engage directly with SABIC materials experts on our product offerings around sustainability and aesthetics. This seminar is designed for industrial designers, engineers, color material and finish specialists and anyone who evaluates or approves color.

LEARN THESE 7 ESSENTIALS FOR SUCCESS

1. Hands on Color Experiences
2. The Science behind Color & Appearance
3. Quantifying Color
4. Color Quality Control
5. 3D Rendering Technology
6. Colorable Sustainable Materials
7. Ecofriendly VisualFx™ resins
